

JOIN THE FASTEST GROWING HEALTH & FITNESS FRANCHISE!

Do you want to own your own business and have a passion for fitness or helping people? Now, you can open your own GYMGUYZ franchise in 8-12 weeks with no fitness background needed. GYMGUYZ franchise owners come from a variety of different backgrounds and careers. With GYMGUYZ, you can be in business for yourself but not by yourself, and with no brick and mortar!

Working with your team of managers and personal trainers, your GYMGUYZ business has an unprecedented opportunity to grow rapidly due to today's growing remote workforce. In-home personal training has never been more popular. GYMGUYZ is the largest in-home and on-site personal training company in the world serving over 1350 cities in the US, Canada and the United Kingdom with over 160 locations.

We provide unmatched support to our franchise partners. GYMGUYZ is revolutionizing the fitness industry. Convenience is key and people need to be held accountable to reach their health and fitness goals. Automatic and artificial intelligence will never replace the power of human interaction. GYMGUYZ is the future of the fitness industry.

GREAT FRANCHISEES ARE:

Men and woman who understand what it takes to be successful. They seek purpose and want to make difference in their communities; they never give up. Owners from all backgrounds but sales, marketing and/or leadership background is a plus!
